

Position Available

Master: Research Fisheries Vessel

Boston Harbor Islands

LOCATION:

The Massachusetts Department of Conservation and Recreation, is a major steward of the commonwealth's natural and cultural resources. The Boston Harbor Islands *national recreation area* is a unique partnership park with an abundance of natural and cultural resources that offer tremendous recreational and educational opportunities. DCR owns 16.5 of the 34 islands and peninsulas in the park and actively staffs six of the islands that are accessible by public ferry during the recreation season. More information about the park can be found at www.bostonharborislands.org

RESPONSIBILITIES:

The Boston Harbor Islands Boat Operator's primary responsibility is to:

- Navigate vessels, inshore and offshore, tow and transport persons, equipment and material.
- Clean, maintain, recommend, oversee, supervise and develop specifications for refitting of aluminum, steel and fiberglass vessels and shipboard systems, including diesel, gas engines, outboard/inboard drives.
- Supervise the loading and unloading of vessels with knowledge of the carrying capacity and limits of stability of each vessel.
- Participate in and/or supervise the maintenance, towing and installation of docks, wharves, piers, floats and associated hardware.
- Prepare work list for periodic hauling, blocking, overhauling and repair of vessels and equipment.
- Prepare and maintain records and logs of maintenance, areas patrolled, materials transported, inventory of supplies and requisitions.
- Other duties as assigned.

QUALIFICATIONS:

Applicants must have at least one year of full-time, or equivalent part-time experience in the operation and maintenance of research vessels. Based on assignment, a Radiotelephone Third Class Operator permit, a Radiotelephone First or Second Class Operator license or any Radiotelephone Operator license/permit issued by the Federal Communications Commission. Must have a current TWIC card and First Aid/CPR certification.

*** Possession of a Masters License (minimum of 50 tons) for inland waters issued by the US Coast Guard.
